

# BARBARA DYBALA MOSAIC STUDIO

## Annual Mother's Day Tour

Sunday May 11, 2014 2-6 pm  
1075 S. Smith Rd 75032

Dear Rockwall Sunnyvale Garden Club Friends,

In honor of Mother Day we are happy to open our grounds and mosaic studio for touring. The gate will be open Sunday, May 11th, 2-6 pm

Take a close look at the mosaic wall and in the art studio. Explore the Pond House and the grounds where small murals are popping up here and there. Let your children practice some catch and release fishing (provide your own fishing poles and worms). Bring a blanket and snacks and enjoy yourself at the pond's edge or under a large shady tree and enjoy the day in a magical place.

This is our way of encouraging creativity and celebrating family and friends and we hope you will be able to join us! Happy and joyous Mothers Day to all.

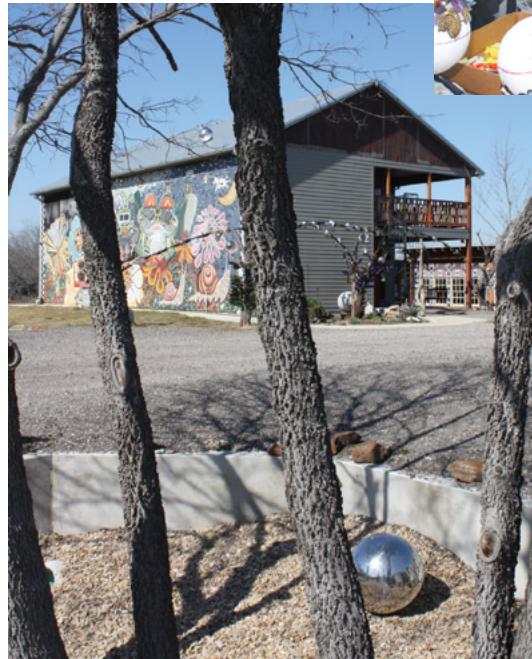

We look forward to seeing everyone,

Barbara and David Dybala
